

Axial Expansion Joint - Flanged PN16

Flanged PN16, Plated Steel Flanges, Stainless Steel Bellow & Inner Sleeve

Pressure / Temperature Specifications

Pressure	PN16
Temperature	-80°C to 427°C

Material Specifications

1. Flanges	S 235 JR Steel
2. Bellow	321 Stainless Steel
3. Inner Sleeve 1	304 Stainless Steel
4. Inner Sleeve 2	304 Stainless Steel
